

FROGRS Sea Turtle Sponsor Application

The Sea Turtle Sponsorship Program was developed by FROGRS (Friends of Gamble Rogers). The goal of the Sea Turtle Program is to provide needed funds to monitor and protect the endangered and threatened sea turtles who annually come to nest on the beaches of Gamble Rogers and North Peninsula State Parks. Every year park staff and Turtle Patrol volunteers patrol the beaches daily throughout the season which runs from May 1 to October 31. Every nest is marked and monitored throughout the season and when it emerges is evaluated for success. The collected information is forwarded to scientists at the Florida Fish and Wildlife Conservation Commission who compile the data collected from all the nesting beaches in Florida in order to evaluate the status of sea turtle populations.

With a \$25 FROGRS Sea Turtle Program Sponsorship you will receive a plush sea turtle with your color choice of hoodie (blue, green, yellow or tan) and packet that will include an attractive certificate of sponsorship (great for gifts!), information and facts on the sea turtle species that call Florida home and other sea turtle handouts. Additional plush sea turtles may be purchased for \$15 each. As a Sea Turtle Program sponsor you will also receive nesting updates through the season and an end of year report summarizing the Sea Turtle season's results.

For an additional donation of \$30, sponsors will receive a one-year FROGRS membership which entitles the sponsor and up to 7 people in one vehicle to 12 free entrances into Gamble Rogers State Park (\$60.00 value), notice of upcoming park tours and programs, and special access to limited members' programs and events throughout the year.
